There being no questions or discussion regarding the Treasurer's Report, Mr. McKenna made the motion to accept the Treasurer's Report as presented, Mr. Armstead seconded, and upon vote, all Board members unanimously approved.

There was no Asset Management Report.

There was nothing discussed regarding JPR Billing.

For JPR Engineering, Mr. Armstead reported he had called to see when they were going to fix the two cuts in Slip Away Bay.

There was no Astbury Report.

There was nothing to report by the System Manager other than the District needed to remind Astbury to repair pumps.

For the Building Manager Report, Mr. McKenna told the Board he has a cleaning lady coming in and that she's doing a good job.

The Website Manager had nothing new to report.

There was nothing to report by the Compliance Officer.

There was nothing to report by the Contract Control.

There was nothing to report by Key Control.

The P & P Committee had nothing to report.

Mr. Armstead asked if we had someone lined up for snow removal and Mr. McKenna said we are planning to stay with Lawrence Lawn Care.

There was nothing to report by Records Management.

Under Old Business, Mr. McKenna said he is updating planning for pump replacement and the system planning going forward. Mr. Jeff Jarnecke was to contact Kenny Jones at JPR and set up a meeting.

Mr. McKenna also told the Board that there are \$100,000,000 in Coronavirus State Water Infrastructure Funds for water and sewage treatment facilities and that our District might qualify for some of these funds. He said Grant approval is due mid-July for Round One and that Round Two is within a year. He added that this is a 50% cost-share program.

Mr. Armstead said the District might consider purchasing the four acres south of the CWP to expand storage capability.

Mr. McKenna said that if we buy pumps, we want them in the ground and working, not stored.

This means we should be able to buy pumps 20 to 30 at a time and replace the worst ones.

Mr. McKenna suggested the District could contract with Astbury. He said E-One would store them and maybe we could contract to draw on pumps as needed by purchasing in quantity.

JPR is looking at a strategy to apply to best manage our District's needs going forward.

There being no further business to come before the Board, Mr. McKenna motioned for the meeting to be adjourned, Mr. Armstead seconded, and the June 15<sup>th</sup>, 2021 Regular Meeting of the Koontz Lake Regional Sewer District Board of Trustees was adjourned at approximately 6:00 p.m. local Central Time.

Respectfully submitted by Shelley K. Bell, KLRSD Bookkeeper
